

Procedures for Recording Results for Junior (RHBL) Baseball

As a club taking part in competition organized by Ryde Hornsby Baseball League, we are obliged to assist with the recording of junior Baseball game results. There are two responsibilities for every team playing in U8 to U19 (U7 teams are not required to submit results for games) in this regard (please read both Part A and Part B below), whether completed by the Manager or delegated to another parent in the team.

PART A – Applicable to ALL Games – whether Greenway is designated as either the HOME or AWAY team

Please do the following after every game, **no later than 6pm on the Monday night** following a game

- Please fill out the “Junior Baseball Result Form” located at http://www.greenwaygiants.org.au/junior_baseball_results.html (which can be navigated to by choosing “Record Game Result” under “Quick Links” on the Junior Baseball home page of the Greenway Giants website.
- You will be required to enter two types of information
 - Your Contact Information – to facilitate us contacting you if required
 - Game Details
 - Date of Game
 - Team Name
 - Your Score
 - Opposing Team
 - Opposing Team Score
 - Details of any injuries, protests or anything that you believe the club should be aware of
 - The opportunity to load a pdf file of the Official Results Sheet (read PART B below)

PART B – Applicable ONLY for games where Greenway is designated as the HOME side

In addition to the responsibilities outlined in PART A above, which must be completed after EVERY game, please submit the Official Results Sheet when your team has been designated as the HOME side. Please note that occasionally (though very rarely), you can be designated as the HOME side (i.e. listed after the “vs” in the official RHBL draw) when playing at a ground other than Greenway Park.

You have the following options for submitting the Official Results Sheet:

- Scanning the sheet and submitting it online as part of filling out the online form as described in PART A above.
- Scanning the sheet and emailing it (to junior_baseball_recorder@greenwaygiants.org.au) either before or after the completion of the online form described in PART A.
- Mailing it to Junior Baseball Recorder, Greenway Giants, PO Box 7, Cherrybrook NSW 2126

Please check your team’s standing and results each week on the RHBL website as occasionally results get entered incorrectly. If you observe anything out of line, please email junior_baseball_recorder@greenwaygiants.org.au as soon as possible, advising the details of the anomaly.

Copies of results sheets can be downloaded from “Quick Links” from the Junior Baseball Home Page on the Greenway website. Note there are different result sheets for Pre-Live (U8s through U10N) and Live Ball (U10A through U19). It is always good to have enough for the season home games plus a few spare.
